Hello Robert,

I believe the caller is referring to a Long Beach PD incident that culminated in our city at the church, this past Friday in the early morning hours. The suspect had shot multiple people and carjacked a car in Long Beach and fled to the church. Long Beach PD handled the incident. Carson Sheriff only provided traffic control while they handled the situation. She would have to submit a claim to the City of Long Beach or Long Beach PD.

We will try and gather a contact name or number to assist.

Respectfully,

Hi Roobik,

Feel free to contact her. I assume that damages incurred on private property during an investigation, pursuit, or apprehension are not the responsibility of the City and are likely spelled out in the LASD contract?

Good morning Robert and David,
Please listen to this message and let me know if I should follow up with her. The City should not be liable but I can get more information from the Sheriff's office.

Thanks,
